Service Shift(s)

Shifts are a 4-hour time block as we need time to get you to your chosen area and ensure you are given clear instructions and able to assist. Please respect this time request. If you would like to serve more than one shift, please check closely so you don't accidentally overlap - can't be in two places at once, you know! Most shifts are as follows:

9 am – 1 pm

11 am - 3 pm

1 pm –5 pm

(Special shifts for Thursday, Friday and Sunday SWAT members)

Please note these times are examples - there may be some adjustments in individual areas.
